E u d o r a , M i s s i s s i p p i

10013 Green River Rd. Lake Cormorant, MS 38641

New Office Phone Number: 662-429-9027

New Emergency/After Hours Number: 662-985-0081

Dear Eudora Utilities Association Customers:

This letter is to inform you of new rates for water services that will go into effect on the August 2018 Statement. Eudora Utilities Association (EUA) is committed to managing costs of meeting the standards of the Safe Water Drinking Act and staying efficient while upholding our commitment to a sustainable future. This rate adjustment supports EUA's commitment to the replacement of aging infrastructure and line extensions to support the existing system. One such project is currently underway on Hwy 301 South in between Sullivan Rd. and Barbee Rd. We are adding an 8-inch water main with two fire hydrants to support the pressure on the south end of the system, eliminating dead end water areas, and increasing fire protection. They also cover the FY2017 financial loss, adds one additional full-time personnel, retirement benefits for all personnel, and improve internet connectivity to the office to better serve our customers.

On June 4, 2018, at the annual membership meeting for Eudora Utilities Association, the Board of Directors approved a rate increase as follows to be reflected on the August 2018 bill statement:

Minimum Bill (0-2000 Gallons)	\$20.00
Each additional 1,000 Gallons	\$5.00 or \$0.005 (1/2 a penny) a gallon

Average Billing Examples of New Water Rate:

4,000 Gallons	\$30.00
6,000 Gallons	\$40.00
8,000 Gallons	\$50.00
12,000 Gallons	\$70.00
20,000 Gallons	\$110.00

If you have any questions about the rate changes, please go to our website at [www.eudorams.com](http://www.eudorams.com) , contact us at 662-429-9027, Wednesday through Friday, 8am-5pm (closed noon to 1pm for lunch), or email us at [euadesoto@gmail.com](mailto:euadesoto@gmail.com).

Thank you,

Eudora Utilities Association
